

INTO THE UNKNOWN

A Paranormal Scientific Television Series

SHOW SYNOPSIS

Into the Unknown is a scientific documentary series that features filmmakers and paranormal researchers Connor Taylor and Zach Smith. Using theories that have existed over the past century in the paranormal field, they attempt to validate and prove The Afterlife using modern day Science. This series takes the audience on a quest through the wide spectrum of; Spirit Communication, Frequency, Parallel Universes, The Six Sense, Spiritual Healings, Magic and Spells, and Consciousness. Into The Unknown will develop the supernatural pseudoscience into factual science for the first time in history. Do you fear the unknown or embrace it?

EPISODE CONCEPTS

SPIRIT COMMUNICATION

S01E01 | Runtime 50 Minutes

Connor and Zach investigate the Old Lake County Jail in Crown Point, Indiana where one of the most notorious, American gangster, John Dillinger was held captive. Here is where the crew will discover what truly haunts this jail as they attempt to gather evidence on the anniversary date of the death from American gangster who was untouchable. In this episode Connor and Zach explore spirit communication by understanding its correlation to science.

PARALLEL UNIVERSES

S01E02 | Runtime 44 Minutes

Connor and Zach investigate the aftermath of the Battle of Gettysburg in Gettysburg, Pennsylvania, where they take you inside on this personal journey of sadness to discover if the soldiers in uniform still walk on the fields where they died. On this episode, they will find out if the parallel universe co-exists within our universe causing activity from residual spirits and hauntings.

THE SIX SENSE

S01E03 | Runtime 44 Minutes

Connor and Zach investigate the history of ESP (extra sensory perception) or commonly known as the six sense at Duke University where this theory all began in Durham, North Carolina in the 1930's. Through a study of medical tests, they attempt to validate these abilities after a century of research using notorious psychics and mediums. On this episode, you will find out if we all possess this gift.

SPIRITUAL HEALING (PART 1)

S01E04 | Runtime 44 Minutes

Connor and Zach investigate the Sedona Retreats in Sedona, Arizona where they experience the phenomenon of vortex energy that is believed to assist you in spiritual and shamanic work through reiki, meditation, and ceremonies. They are joined by Dr. Oz and Shaman Akal as they attempt to prove the mystery behind the theory of Universal Energy or known as "Spiritual Healings." On this episode, you can decide if this common practice is placebo or a medical breakthrough.

MAGIC AND SPELLS (PART 2)

S01E05 | Runtime 44 Minutes

Connor and Zach investigate the mysterious and heavily cultured New Orleans, Louisiana where they study the common practices of white magic and black magic to exploit supernatural forces. On this episode, the audience will finally understand the difference of magic and their intentions with a multitude of practitioners, rituals, and language to command spirits. Do you believe in magic?

CONSCIOUSNESS & ENERGY

S01E06 | Runtime 44 Minutes

Connor and Zach investigate the final moments before and after the human life at Cedars-Sinai Medical Center in Los Angeles, California. In this episode, they will attempt to capture the soul leaving the body using highly sensitive cameras and exploring beta waves of the human brain to discover if we find peace or agony when we expire. Death is our only guarantee in life and our biggest fear, but maybe it's time to embrace it. Do you believe in life after death?
