They attract us like magnets. Places in the hidden depths of the oceans, amidst lush forests and at dangerous altitudes above uninhabited corners of the Earth. Thanks to advanced technology, these are regions that are more and more accessible. We yearn to capture every moment of unknown beauty that should not be ignored.

Director: Libor Spacek
Concept, Script: Libor Spacek and Petra Dolezalova
Production: Escape to Nature

ESCAPE TO ST. LUCIA

52 min. HD, 2013

It is said St. Lucia, with its magical volcanic peaks, rain forests and rare fauna is the most romantic island in the Caribbean. But what is hidden behind the boundary of perfection which many do not cross?

Explore one of the most beautiful islands from depth of the unique coral reefs to the most exciting treasures of the island.

ESCAPE TO MAURITIUS

52 min. HD, 2009

Mark Twain once wrote, that Mauritius was created as a model of Heaven. And that without having any idea of what was hidden in the depths around the island. A couple of adventurers, Petra Dolezalova

and Libor Spacek discover surprising similarities between the unexplored underwater world and the life of this exceptionally tolerant nation and the nature.

ESCAPE TO VANUATU

52 min. HD, 2014

For many people the mysterious Lady in SS President Coolidge shipwreck is the magnet that draws them to the Vanuatu Islands.... For others it may be the remnants of history scattered across the interior of the islands, the legends and the simplicity of the local life

style. The stories touched by warm heart, big smile and secrets of Ni-Vanuatu people together with amazing natural beauty has been placed into one line of this movie

ESCAPE TO TAHITI AND HER ISLANDS

52 min. HD, 2011

What do the islands, which already two hundred years ago were renowned for their spellbinding nature, magic rituals and dances full of unbound passion look like today? Do the mysterious rituals exist

in the 21st century or are they just shows for the tourists? Have the natives retain their connection with the nature which has been to them the source of deep understanding for centuries?

ESCAPE TO PAPUA NEW GUINEA

52 min. HD, 2014

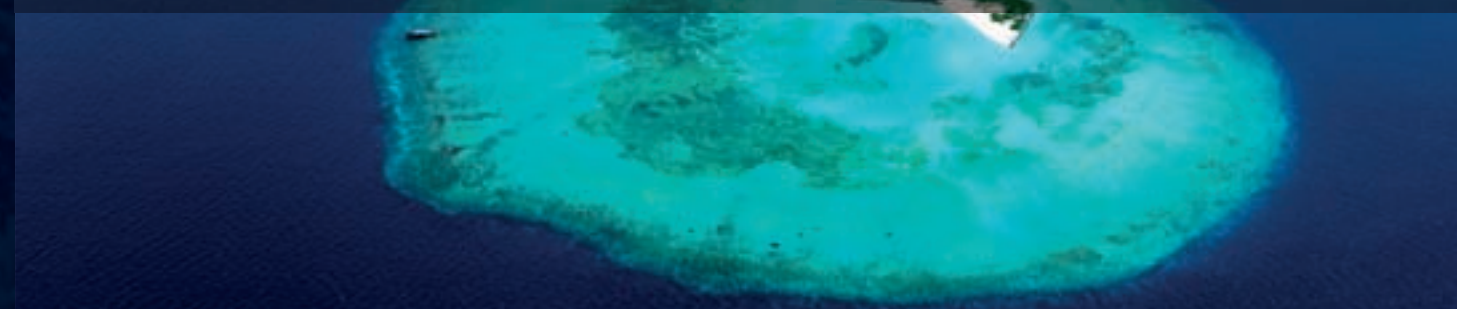

Next movie of the series has been filmed from December 2013 to February 2014 and the creators visited following places of Papua New Guinea: Tufi Dive Resort, Wewak (Kraimbit Village, Palimbe/Kanganamun, Wagu Lakes, Apangai Village), Loloata Island Resort

and New Britain: East part of island - Kokopo Beach Bungalow Resort, West part of island - Walin di Plantation Resort. The film will be ready for delivery on January 2015.
